## Newsletter News

The Williamsburg 2 HOA enjoyed offering our community a FREE scoop of ice cream night from Repicci's in Eagle Meadows park. We had nearly 200 people attend the event and it was a ton of fun. The HOA board is tossing around the idea of a car show and some other fun ideas. We're always happy to entertain new and fun ideas for our neighborhood.

A big thank you to Laura Blakey for coordinating the food trucks this summer. If you have not gone out and tried them, it truly is a nice treat and break to go pick up something fun and good to eat, enjoy the park and enjoy seeing your neighbors. Williamsburg 2 is an awesome neighborhood and your HOA is thrilled to have such great neighbors. When you buy food from the food trucks, you get to try something new and fun, not have to cook and you are supporting small business! Thanks to all those who have come out to enjoy these fun events! Starting in September, food trucks will only be in our neighborhood once a month.

## Halloween

### Decorating Contest

Let's have some fun this year! Bring out the tricks and treats and decorate your house for Halloween and deck it out in all the scariest and most creative décor! Four homes will be awarded special prizes! Some of our neighbors go all out-let's see how we can make Williamsburg 2 extra spooky and fun this year!

**Next HOA Meeting**  
 HOA will be meeting remotely  
 until further notice.

## Williamsburg 2 Deer Mascots

The Williamsburg 2 Deer have made appearances this past month in yards throughout Williamsburg 2. They tend to be in the south part of our neighborhood munching on flowers, grass and lounging underneath trees. We are so very lucky to enjoy wildlife of all sorts in this neighborhood. Keep in mind as temperatures cool, animals will be looking for food sources for the colder nights approaching. Be sure to shut your garage, watch for wildlife at dawn and dusk and keep food/bird feeders away from temptation of wild animals. Last year, we were visited by a black bear and we could see bears migrating down here again before hibernation. Always remember we live close to open spaces and we never know what animals will be coming through our neighborhood next!

## HOA Meetings and Covenants

The Williamsburg HOA meetings are open to all our residents and we welcome neighbors to attend meetings. Williamsburg 2's HOA board members work hard to maintain activities, support the attractiveness of our neighborhood, maintain the web page, maintain the social media group page, send reminders for covenants, issue a newsletter each month, award yard of the month/various contests for holiday lighting and keep financial records for the neighborhood. Our board is made up of volunteers.

If you have ever received a letter regarding a covenant violation from the HOA board, it is a friendly reminder of the rules, or covenants of our neighborhood. We strive to alert our neighbors if there is a violation, however we're there to work through this with you. The top violation letters that are sent out involve:

1. Campers stored too long on street and not properly stored behind a fence or in a storage facility
2. Overgrown vegetation
3. Unsightly or dangerous items that can block sidewalks for pedestrians, block driver's views or that could cause accidents.
4. Improper storage of garbage bins, campers or other items.

## The Great Solstice Conjunction: Look Ahead to December

The Great Conjunction is a rare arrangement of our largest planets, Saturn and Jupiter. They come so close together that they appear as one giant and brilliant celestial object. The Great Conjunction happens every 20 years and starts the decades. It's been linked to great luck and terrible curses. This conjunction has been the source of folklore for centuries, as well as modern day stories and movies.

In 2020, the Great Conjunction will be a true phenomenon. The large planets will appear closer than they have since before 1000 AD, and it won't happen again until the year 7541. To say it's a rarity is an understatement, and this very special year, it also happens on the winter solstice. Join us in our riverside open space after sunset to view these two planets become one on a truly historic night. Campfire, storyteller, telescope viewing and refreshments included.

No pets or tobacco. Household rates are for 2 adults and up to 3 youths at the same address. Under 16 must be with registered adult. When using family rate, make sure to select "Family Rate" for one individual, then add rest of family at "Family Member" rate.
