Save Your Vision Week

March 6-12, Few realize how many people lose their sight every year. Many forms of blindness can be cured if discovered soon enough, and many people blinded by accident could have kept their sight had they taken minor eye safety precautions. Our eyesight and the eyesight of our children should be paramount on our list of personal responsibilities. Money can't buy it, but a checkup and early care can preserve it.

Families are the compass that guide us. They are the inspiration to reach great heights, and our comfort when we occasionally falter.

—Brad Henry

Dues Drive

The Williamsburg 2 Dues Drive is happening now through March 31st! Our neighborhood is made up of a voluntary board and asks for voluntary dues in the amount of \$35 per year. With these donations we are able to host events throughout the year to keep our community engaged, pay for the electricity for the front entrance sign, update landscaping in the common areas and so much more.

Any home that donates between January 1 and March 31 will be entered into a drawing for a \$50 VISA giftcard. We hope this giftcard can be used to support a local small business of your choice.

Dues can be paid via Paypal (link on our website) or by using the coupon in the monthly newsletter. <https://williamsburg2hoa.com/>
