

2023 Events

Clean Up Day: May 20th

Garage Sale: June 2nd-3rd

Summer Bash: Aug. 26th

Community Garage Sale

Our community garage sale is one month away! It is time to start cleaning out those closets and organizing items you no longer need. Here are a few tips for a successful sale:

- Sort through your items and decide what you want to sell
- Clean and organize your items
- Set prices for your items
- Set up tables and display your items on the day of the sale
- Be prepared with enough change and bags for buyers

Contact Krista Reichow at 303-947-1221 or kristareichowrealty@gmail.com

Good luck with your garage sale!!

National Inventors Month

National Inventors Month was started in 1998 to help promote a positive image of inventors and the contributions they give to this world. “We want to recognize those talented, brave individuals who dare to be blatantly creative, and therefore different, and whose accomplishments affect every facet of our lives,” says Joanne Hayes-Rines, editor of Inventors’ Digest and a sponsor of National Inventors Month.

Minutes For April 11th, 2023

MEET BY ZOOM. MEETING CALLED TO ORDER AT 7:00PM

Events:

- Yard of the month
- Summer Bash: Aug. 26th
- Clean Up Day: May 20th
- Garage Sale: June 2nd-3rd

Happy Mother's Day

Military Appreciation Month

Congress designated May as National Military Appreciation Month in 1999 to ensure the nation was given the chance to publicly show its appreciation for troops past and present. May was chosen because it has many individual days marked to note the military’s achievements.

Moving To The Beat, With Drum Circles

Children love music and they love to move, so let's put them together and create a fun family drum circle! A drum circle is just what it sounds like, children and adults sitting in a circle with a drum or flat surface to drum or tap their hands on. Drumming is a form of non-verbal communication that can improve social and emotional well-being as well as enhance the physical, and cognitive development of children. Drum circles encourage play while giving your child a chance to express him or herself through rhythmic energy. Think about it as communicating and exercising their brains and bodies through beats within a social setting. When children listen to music or rhythms, they can feel it both physically and emotionally, especially when they are able to dance, bang on a drum, or tap their feet to the beat.

The Full Body Effect of Drumming:

Research shows that rhythmic beats help harmonize the left and right parts of your brain. This leads to an increase in neuronal connections to all parts of the brain.

Drumming Helps Children:

- Improve eye/hand coordination
- Develop coordinated large motor skills
- Increase strength and endurance of hands, arms, and the whole body
- Enhance balance, vision, and awareness skills
- Fine tune listening skills, as they notice rhythm and tempo changes
- Be creative and express emotions
